Applemore Netball Club – WEBSITE

As the season continues we will be updating this with match details and results so please get registered to receive alerts when updates are added via email.

The web address is: www.applemorenetball.co.uk

The site also gives full information about our junior and senior club including training, umpiring, kit and general netball news.

Training Evaluations

To ensure that Applemore players are receiving the desired training we need to understand your thoughts and feelings of the training you have received so far in the season 2011-2012. Please complete the training evaluation form asap, these can be picked up at training or downloaded from the training page on the Applemore website.

This is your opportunity to have your views heard!

Margaret Whittaker League

The Margaret Whittaker League is under way and we have a team entered in both the upper and lowers divisions on a Monday night. This is a great opportunity to get experience with more match play. Please speak to Jo Cowling or Debbie Chafe if you would like to be involved.

Southern Region

Thank you to all of those who have come out so far, on Sundays, to watch and support our Southern Region team in their home matches. It really gives the team a lift and has seen them clock up some good wins in the last couple of weeks. If more of you would like to see netball at a higher level, their fixture list has been uploaded to the website, under the Applemore Squads page.

Training

Our last training session for 2011 will be 30th November. Training will start back in the New Year on the 4th January with the lower section 6.30 – 8pm and the uppers 8 – 9.30pm.

Applemore Junior News

We have 2 good bits of new from our Junior club. Firstly we wanted to say a big congratulation to Joanne Dean who was successful at the recent U16 County Academy trials. Also, Jo along with Katherine Blake were also picked by Elly Moore to play in Weston Park's regional team. Well done Jo and Katherine – keep up the good work.

Secondly ESSO have generously sponsored our Junior Club, which will go towards their new kit. Margaret originally started Applemore as a team for the ESSO wives and recently in the Echo some of you may have seen a picture from way back when...

Christmas Night Out

The whole club is invited to our annual Christmas night out, and this year it will be on the 7th December. Please speak to your captain for more details and let them know asap if you would like to attend.

Thank you for everyones efforts so far this season.

Enjoy your Christmas break!
